Personal data contained in User Content will be handled in accordance with GPN's Privacy Policy and applicable data-protection law.

Unless otherwise stated, the Website and its Content are owned by GPN or its licensors. This includes, where applicable:

8. GPN Trademarks

"Global Partners Network", "GPN" and related logos, names and marks may be trademarks or trade names of GPN or their respective owners.

You may not use GPN's trademarks in a manner that suggests sponsorship, endorsement or affiliation without prior written permission.

9. Third-Party Links

The Website may contain links to websites, services or resources operated by third parties.

Such links are provided for convenience and do not necessarily constitute an endorsement or recommendation by GPN.

GPN does not control and is not responsible for third-party websites, services, content, security, availability or privacy practices.

Your use of third-party websites is subject to their own terms and policies.

10. Website Availability and Security

GPN aims to maintain the Website in a reliable manner but does not guarantee that it will always be available, uninterrupted or error-free.

GPN may temporarily suspend or restrict access for maintenance, security, technical reasons or other operational purposes.

GPN takes reasonable technical and organizational measures designed to protect information and the Website. However, no Internet transmission or storage system can be guaranteed to be completely secure.

Further information about personal-data security is provided in the Privacy Policy.

11. Website Information

Information provided through the Website is subject to the GPN Disclaimer.

The Website may contain information provided by GPN, Clients, Partners or other third parties. GPN does not guarantee that such information is complete, accurate, current or suitable for a particular purpose.

You should independently verify information where it is material to your decision or activity.

12. GPN Services and Assignments

The Website may provide access to functions through which Clients and Partners can participate in GPN's services.

The use of those services, including the registration, acceptance and performance of an Assignment, is subject to the Terms and Conditions of Service.

These Website Terms govern Website access and use. They do not replace the Terms and Conditions of Service.

13. Confidentiality and Non-Public Information

GPN may operate certain Website functions as part of a closed marketplace.

Information submitted by Clients and Partners for an Assignment may therefore be restricted from public display.

GPN will handle personal data in accordance with its Privacy Policy and will handle non-public business information in accordance with applicable contractual obligations.

Users must not disclose or misuse non-public information obtained through the Website or through another User without appropriate authorization.

14. Suspension and Termination

GPN may suspend or restrict your access to the Website or Account where reasonably necessary, including where:

- you breach these Website Terms;
- information you provide is materially false or misleading;
- your Account creates a security or legal risk;
- your conduct may harm GPN or another User;
- you engage in fraudulent or unlawful activity;

- suspension is necessary to comply with applicable law.

Where reasonably practicable, GPN may provide notice and an opportunity to remedy a breach.

You may stop using the Website at any time.

Termination or suspension of an Account does not affect rights or obligations that accrued before termination or any provisions that by their nature should continue to apply.

15. Limitation of Liability

To the maximum extent permitted by applicable law, GPN shall not be liable for indirect, incidental, special or consequential loss or damage arising from or in connection with access to or use of the Website.

This may include, where permitted by applicable law, loss of profits, revenue, business opportunities, data or anticipated savings.

GPN is not responsible for loss or damage resulting from a User's misuse of the Website, unauthorized access caused by the User's failure to protect Account credentials, or third-party websites or services.

Nothing in these Website Terms excludes or limits liability that cannot lawfully be excluded or limited.

16. User Responsibility

You are responsible for your use of the Website and for ensuring that your activities comply with applicable laws and regulations.

You are also responsible for assessing information obtained through the Website before relying on it.

17. Indemnification

To the extent permitted by applicable law, you agree to compensate GPN for reasonable losses, costs or expenses directly arising from:

- your material breach of these Website Terms;
- your unlawful use of the Website;
- your infringement of another person's intellectual property or other legal rights;
- User Content supplied by you that unlawfully infringes another person's rights.

This provision does not apply to the extent that the relevant loss was caused by GPN's own unlawful conduct or liability that cannot legally be transferred to you.

18. Communications

GPN may communicate with you by email or other reasonable communication methods concerning your Account, the Website, these Website Terms, security matters or GPN services.

Service-related communications may also be governed by the Terms and Conditions of Service.

GPN will handle personal information contained in communications in accordance with its Privacy

Policy.

19. Changes to These Website Terms

GPN may update these Website Terms from time to time.

The updated version will be published on the Website together with an updated effective or last-updated date.

Where appropriate, GPN may provide notice of material changes.

Changes will normally apply prospectively and will not alter an Assignment already underway unless required by law or otherwise agreed.

Where permitted by applicable law, your continued use of the Website after the effective date of revised Website Terms may constitute acceptance of the revised terms. Where applicable law requires affirmative acceptance of material changes, GPN will obtain that acceptance.

20. Governing Law and Disputes

These Website Terms are governed by the laws of the Netherlands, except to the extent that mandatory provisions of applicable law provide otherwise.

Any dispute concerning these Website Terms shall be submitted to the competent courts of the Netherlands, subject to any mandatory jurisdiction rights that may apply.

21. General Provisions

If any provision of these Website Terms is found to be invalid or unenforceable, the remaining provisions will remain in effect to the extent permitted by law.

A failure by GPN to enforce a provision does not constitute a waiver of its right to enforce that provision later.

These Website Terms, together with the documents expressly incorporated into them, constitute the terms governing use of the Website.

You may not assign or transfer your rights or obligations under these Website Terms without GPN's prior written consent, except where such restriction is prohibited by law. GPN may transfer or reorganize its rights and obligations where reasonably necessary for its business, subject to applicable law.

Headings are included for convenience and do not affect interpretation.
